### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Cardillo on 5/26/05.

2. The application has been amended as follows:

Claim 13, line 6: "stationery" was deleted and replaced with --stationary--.

Claim 26, line 1: "Withdrawn" was deleted and replaced with --Original--.

Claim 30, line 1: "Withdrawn" was deleted and replaced with --Original--.

3. The following is an examiner's statement of **reasons for allowance**:

With respect to claim 13, the prior art fails to teach or suggest a method of making a double glazing unit by maintaining a fixed distance gap between the first and second glass sheets in the first stage movement apparatus with a **stationary first holder** using a suction force and moving the first and second glass sheets to the second stage movement apparatus using a first driven guide located in the first stage movement apparatus, a second driven guide located in the second stage movement apparatus, **and a suction chuck located on an actuator driven frame**.

The closest art of record was found in JP 10-158041, which was applied in the previous action dated 2/11/05. However, this reference teaches moveable first holder 25 that maintains the fixed distance gap between the glass sheets while moving the glass sheets from the first stage movement apparatus to the second stage movement apparatus (Figure 4; p. 15, [0015], p. 16,

[0018], p. 17-18, [0019-0021] – copy of written translation provided with this office action); therefore, and as pointed out by Applicants in the 3<sup>rd</sup> paragraph on p. 10 of the remarks dated 5/11/05, the reference fails to teach or suggest maintaining the fixed distance gap with a stationary first holder.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
